

MyJHC User Notification

More Delivery Options Now Available to You in MyJHC

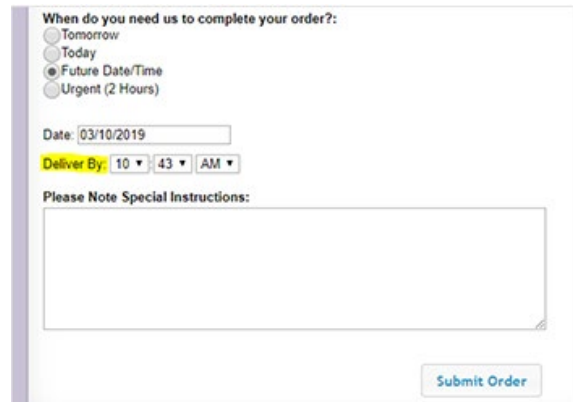

MyJHC User,

We believe you deserve exceptional service. We're constantly looking for ways to improve your online ordering experience to help you better manage your accounts whenever, wherever. We have upgraded our online ordering portal to better align delivery options with the needs of your patients/residents and organization.

As of 4/19/19 you now have more choices when placing a rental order to let us know when you want us to fulfill the order. Previously, you had the ability to choose from a standard or a future date but now you have the ability to choose today, tomorrow, Urgent (2 hours), future date or in the case of a weekend day, the ability to choose Monday.

Our goal behind these changes is to not only give you more choices, but also more control over letting us know when to fulfill an order to ensure outstanding service to your patients.

Please note that supply only orders will continue to follow standard shipping methods. As always, we are committed to better serve you and those for those whom you care. Please don't hesitate to contact us with feedback or any questions.
